Download Game for Mobile (Android)

STEP

1. Download Game

1

Download Game

1. Go to https://edenhorse.net/ and click GAME START DOWNLOAD.

2. Wait while file is downloading > Click open once file downloaded

< Install unknown apps $= \overline{a}$:

By default, your phone can only install apps from approved sources such as the Play Store and Galaxy Store. This helps protect you from malicious apps. Installing apps from other sources may put your phone and data at risk. If you want to install apps from other sources, allow those sources in the list below.
