The screenshot shows the Binance website interface. At the top, the navigation bar includes the Binance logo, a grid icon, and menu items: Buy Crypto (EUR), Markets, Trade (highlighted with a red box), Derivatives, Earn, Finance, NFT, Institutional, and Feed. On the right side of the navigation bar, there are icons for search, Deposit, Wallet, Orders, and user profile, along with a notification bell icon showing 1 notification.

A dropdown menu is open under the 'Trade' button, listing several trading options:

- Binance Convert: The easiest way to trade
- Spot**: Trade crypto with advanced tools (highlighted with a red box and an arrow)
- Margin: Increase your profits with leverage
- Trading Bots: Trade smarter with our various automated strategies - easy, fast and reliable
- P2P: Bank transfer and 100+ options
- Swap Farming: Swap to earn BNB
- Fan Token: Upgrade your fan experience
- OTC Block Trading: RFQ and trade large spot orders

Below the menu, there is a section for market data showing price changes and current prices for several trading pairs:

Trading Pair	Change	Price	Price with Symbol

Help us improve MetaMask

MetaMask would like to gather usage data to better understand how our users interact with MetaMask. This data will be used to provide the service, which includes improving the service based on your use.

MetaMask will...

- ✓ Always allow you to opt-out via Settings
- ✓ Send anonymized click and pageview events
- ✗ **Never** collect information we don't need to provide the service (such as keys, addresses, transaction hashes, or balances)
- ✗ **Never** collect your full IP address*
- ✗ **Never** sell data. Ever!

This data is aggregated and is therefore anonymous for the purposes of General Data Protection Regulation (EU) 2016/679.

* When you use Infura as your default RPC provider in MetaMask, Infura will collect your IP address and your Ethereum wallet address when you send a transaction. We don't store this information in a way that allows our systems to associate those two pieces of data. For more information on how MetaMask and Infura interact from a data collection perspective, see our update [here](#). For more information on our privacy practices in general, see our [Privacy Policy here](#).
